

Topanga Accommodation Options

At the end, of the end, of the end of a road, perched atop a remote valley of the Santa Monica mountains, you'll find a private mountain oasis that we'll call home for our Rounding Retreat. We'll have ten acres of meandering paths, oak trees, palms, and gardens abutting state land. Only thirty minutes from Los Angeles, but it feels like a million miles away.

This private home is built with community and shared spaces in mind. From tea lounges to countless nooks and epic perches, we'll come together and enjoy a few days away in deep rest and relaxation.

Please be aware that the home's design has a luxury eco-sanctuary feel. For the A-Frame and Tea House accommodations, a short walk outside to your shower will be part of the retreat experience. All other accommodations have indoor bathroom access.
